1. Two forces that cause mass wasting are _____ and _____.

2. Two ways that humans increase mass wasting are...

a)

b)

3. Tell one thing unique about each of the following forms of mass wasting. (The first letters of each form of mass wasting are filled in for you. Be patient: answering this will take most of the film.)

c _____

s _____

l _____

m _____ and d _____ f _____

r _____ s _____

4. At 13+ minutes, would you be willing to invest in and build a house here at 20% off the market value? Explain.

5. Do you think those gabions (which we are seeing as arty walls lately around Phoenix) will work in the long term? Explain.

*At 26:15 - Imagine if you were caught in this. Not good!
If you feel guilty about the brevity of this film review, just draw a nice picture on the back.*
