

http://www.ted.com/talks/allan_savory_how_to_green_the_world_s_deserts_and_reverse_climate_change#t-47202

1. Why are some places capable of being turned into deserts but others are not? What is the difference?
2. About _____ of the world is desertifying. (Spell-check does not like that word.)
3. Two problems caused by removing vegetation are...
 - a. _____
 - b. _____
4. Large herds of grazers did two things their environment that were beneficial. These two things are...
 - a. _____
 - b. _____
5. Whoa. What did Savory do to improve the quality of the grazed lands.
 - a. _____
 - b. _____
6. Summarize Savory's holistic grazing method. What does he propose?
7. Why do you think that what Savory is doing appears to work?
8. Why is what we in the southwest USA and Mexico do not the same as Savory's proposal?
9. How will using the holistic grazing method offset the buildup of atmospheric carbon?
147. Look at the comments. Choose one comment thread. Summarize it and share your thoughts regarding it.

Extra Credit: Find sources that disagree with the Savory holistic grazing method and cite their criticisms. Provide your thoughts/opinions/questions. Paste the URL(s) to that/those source(s).
